SIERRA MADRE, COUNTY OF LOS ANGELES, CALIFORNIA

FRIDAY, NOVEMBER 23, 1934

## Jury Finds Frank Turba 'Not Guilty'

Theft Charge Preferred On Aged Woman's Account Is Dismissed

A jury of eleven Sierra Madre men and one woman Monday afternoon declared Frank Turba not guilty of petty theft charges brought against him in connection with a \$35 check cashed by Turba last month.

From a complicated mass of testimony it was ascertained that Turba appropriated a check mailed to 88-year-old Eva V. Ryan, signed her name to it, added his own endorsement, and cashed the check. This he admitted doing, but he maintained that as the old lady's court appointed guardian, and by reason of the fact that he had her permission to sign her name, his act was not illegal. Moreover she owed him \$70 for two months' board and room rent, he testified.

Mrs. Ryan until recently lived at the Turba home and the monthly relief checks she received from the county for her near blindness and disability were paid to the Turbas for her care.

Two checks were still owing when Mrs. Ryan moved to Pasadena last month, Turba testified.

Defense attorneys Marcus

Woodward and James D. Randels

brought out the fact that Mrs. Ryan was in the habit of allowing the Turbas to carry on her business for her. Mrs. Ryan had her

self testified that she had given her August check to Mrs. Turba,

who signed her name to it and cashed it on Turba's endorsement.

Mrs. Ryan asserted she was not in the habit of having anyone else sign her name to business documents, as she was able to record her own signature unaided. But she was not certain that she hadn't given Turba permission to endorse business documents for her. But if she had, she said, she couldn't recollect raving done so.

Chief of Police McMillan, over protest by the defense, told of a conversation Turba had with him on October 24. Turba, he said, had admitted signing the check in question, after Mrs. Ryan had moved to Pasadena, but stated that he had secured her permission to transact such business for her when she was too ill to attend to it herself.

Judge Tom Neale presided

over the trial, while David O'Leary, deputy district attorney handled the prosecution. The jury, chosen with no arguments from either side, consisted of John C. Dickson, George Reed Norman Jensen, Rev. W. H. Hannaford, Mrs. Ora Caskay, John F. Brain, Curt McClellan, Clarence B. Croan, Francis Eakman, James Simon, George Akin, and Mervel L. True.

## Huge Increase In Value Of Citrus Crop Report Shows

Citrus crops in California and Arizona brought \$23,000,000 more during the year ending October 31, than during the year before, according to figures of the California Fruit Growers' Exchange, which issued its annual report yesterday.

Paul S. Armstrong, general manager, announced that the two states' citrus industry marketed 77,416 cars of oranges, lemons and grapefruit, for a return of \$90,750,000. The Exchange marketed 71 per cent of this total.

Average citrus supplies to the United States and Canada increased from 116,000 cars during 1925-29 to 140,000 cars during 1930-34. More than 1,200,000 boxes were exported by the Exchange to 60 foreign ports.

## Local Girl Writes Wilson H's Victory Song; Band Plays It

Eighth-grade Muriel Zahler, of Sierra Madre, won the distinction this week of becoming Woodrow Wilson Junior High School's ex-officio poet laureate. At the incidental suggestion of a teacher, she sat down at her desk, and in 35-minutes wrote the words for the school's first football song, "Wilson's Victory March."

Muriel's father, L. A. Zahler, music director for Independent Pictures, set his young daughter's five stanzas to music and arranged the entire musical score for the school band. In the band are other talented Sierra Madre young people, including Clay Reavis, Jr., John Ashmore, Dick and Leo Swanson, George Groth and Leo Collins.

## Charges Against Fred Robbins Are Ordered Dropped

On the recommendation of the district attorney's office, all charges against Fred Robbins truck driver who two weeks ago accidentally ran down and fatally injured Harold Biedler, was to have been tried Friday for violation of the State motor vehicle act. But because the coroner's jury last week decided both driver and pedestrian were at fault in the accident, county attorneys ruled that there was no substantial basis for a case against Robbins.

## Pension Plan Ambassador Optimistic

Tells Audience Here Town-send Idea Takes North And East By Storm

The Monday night address of Dr. John E. Dundore on the Dr. Townsend Pension plan given in the Parish House was particularly striking. Striking, in that the lecturer and co-worker of Dr. Townsend succeeded in bringing forth several impressive points in his discussion that could not possibly fail to hit their mark.

Just back from his five-thousand mile trek across the country, the doctor was in a position to project authentic facts upon the reactions of the people he and his group encountered upon their trip.

Starting in with Portland, Ore., the doctor touched upon every city in which they had stopped to preach their doctrine of prosperity. From the open-minded trainmen on the northbound limited to the 4,000 depressed, unemployed miners in Butte, Montana and, then over to the other strata of life: the Kiwanians and church members of fashionable Oak Park, Chicago; one and all received their words of reconstruction like famished travelers at the springs of life.

The explanation of Dr. Dick's method of organization was most interesting. The great city of Minneapolis, which had been the home of Dr. Dick, was organized in two nights with 101 clubs as the result. Their receptivity was due to the dire straits they have been in, Dr. Dundore said.

The most appalling issue of this Nation-wide depression is the effect upon the children of the broken homes of unemployed parents," said Dr. Dundore.

"What is the use of returning home?" hopelessly inquire children of tender age who are roaming the country in small groups, "our parents have five other children; there is no food or clothing left to go around. We have to take our chances on the road. It is steal or starve!"

The foregoing vividly emphasizes the poignant need for a complete re-adjustment and re-establishment of buying power throughout the United States," concluded the speaker. "We are going to display concerted action, and display it soon!"

—Mildred C. Bolms.

## To Show Progress Of Art Leaguers In Second Exhibition

Early in December the Sierra Madre Municipal Art League will hold its second public exhibition in the Little Gallery, according to Henry Ivins Hawxhurst, founder and present instructor of the organization.

The work of the students, showing much definite advancement since the June exhibit, was highly praised by Paul Loritz and other famed artists attending the reception here at the opening of the present exhibition in the little gallery.

A hand carved and painted wooden bulletin board to be hung at the entrance of the Little Gallery is now in its final stages of completion by Mr. Hawxhurst, and will be installed prior to the December showing.

## Men Of Ascension Church Will Cook And Serve A Dinner

The Vestrymen of the Church of the Ascension have decided on Saturday, December 8, as the date for the Turkey Dinner they will cook and serve in the Parish House. This is part of the plan to raise funds to meet street assessments, taxes and other heavy obligations of the church for 1934. Everyone is helping. The Women's Guild is planning a sale after already raising \$40 by the social last Friday. St. Catherine's Guild has raised \$100. On December 8 the men will don the aprons and give the ladies a rest.

## City Raises Half Of Its Mercy Quota

Red Cross Workers, Halted By Storm, Find Citizenry Is Sympathetic

Canvassers in the Red Cross Roll Call, while slowed up somewhat by the stormy weather, by Tuesday night had turned in a total of 234 paid memberships with some unreported. Miss Judson, chapter secretary, stated she felt very confident that the actual total to that time would reach 250, or fifty percent of the quota allotted to Sierra Madre. She explained that the amount of money raised was considerably greater than the number of memberships as several direct contributions and also monthly pledges accompanied the members.

As some of the captains did not begin canvassing their districts until this week, the result next week should show a decided increase, she said, and by that time the names of those joining would be ready for publication.

Captain E. G. Everett, roll call chairman, volunteered to canvass the business district with the assistance of Dean Arnold G. Bode, and have made such good progress that they are planning a hundred per cent showing for the business section. The captains of the other districts are: Miss Mildred Bolmes, Harry Campbell, Miss Lalla Fagge, Mrs. Margaret Senour, Mrs. Bertha Irvine, Mrs. J. O. Smith, Mrs. Frank Spencer, Fridays, Mrs. F. Davis and Miss Carlyle, and Saturdays, R. J. Lord.

Miss Judson said there was need of eight or ten Thanksgiving baskets from the Red Cross. The families she has in mind are in such straitened circumstances there will be no holiday dinner of any kind unless the Red Cross is able to fill the need.

Any donations of food suitable for this purpose, including milk, staples, canned goods and vegetables, will be very gladly received at Red Cross headquarters.

## Poor Xmas Looms For A Lotta Kids

PAINT POTS, machine shop equipment and tools are idle in the Volunteer Firemen's Toy Shop today.

Department members— Jim Heasley, Joe Swanson, Vernon Udell, Harry Scott, Frank Lovell, and all the rest of them have been ready to commence their pre-Christmas labor for the last three weeks.

But the equipment and the men are idle, because apparently the people of Sierra Madre have lost interest in whether or not the less fortunate children have a Merry Christmas, whether they find their stockings bulging with shiny toys—or find them hanging empty and neglected by old Kris.

Apparently the trouble has been that folks have seen reports of the Firemen's need of material on which to work, and they've said to themselves: "I hope somebody finds some toys to give 'em. Maybe I can dig up something myself—next week."

They've said that, instead of:

"Well I guess this depends on me!"

"You bring them in," Chief Richards pleads, "and we'll fix them up. Keep in mind that there are a lot of needy kids in town who are going to be mighty blue Christmas Day if their stockings are empty. Whatever kind of toy, game or trinket you have lying unused around the attic or cellar—bring it over to our shop, or leave word for us at the City Hall and we'll pick it up . . . A little soldier and paint and patience will go a long ways in making children happy."

## Rental Shelf New Service Added At The Public Library

In conformity with a practice popular in many public libraries, The Sierra Madre Library has just established a "duplicate rental shelf." On this shelf will be found copies of the recent popular publications which may be obtained at a rental charge of two cents a day. On the open shelves will be a copy of each of these books. When the duplicate copy has paid for itself in rentals it will be returned to the open shelves.

The trustees and librarians are of the opinion that many patrons will enjoy the privilege and opportunity thus extended, and that the efficiency of the library will be increased by this measure.

## Benefits Of Playground Pointed Out

PTA Told Of Advantages Offered By Supervised Instruction Here

Designed to raise funds for the Parent-Teacher Association's welfare program, a benefit card party will be held in the grammar school cafeteria Friday evening, December 7. Other projects to aid the organization here in carrying on the 1935 relief work, includes a paper drive which will commence some time in January, according to Mrs. Al Myers, chairman of the Ways and Means committee.

Miss Elizabeth Steinberger, public school principal, speaking before the PTA membership Wednesday afternoon in the school music room, called the mother's attention to the splendid opportunities offered children here in various arts and crafts.

The instructors, she said are on the school playground between 2:30 to 5:30 on school days and from 8:00 to 5:00 on Saturdays. The materials for these recreations were purchased by the PTA and the instructors are paid from the SERA funds. George Smith is the instructor Mondays; Tuesdays Everett Hinjos, Wednesdays P. R. Pendarast, Thursdays M. C. Faulkner, Fridays, Mrs. F. Davis and Miss Carlyle and Saturdays, R. J. Lord.

Much inspiration was gained at Wednesday's meeting from the interesting and worth-while talk given by Mrs. H. A. Mansfield, president of the Pasadena Council. Her subject was "Why a Parent-Teacher Association."

The selections sung by Miss Claire Newman were enjoyed by all those present. Immediately following the program tea was served by Mrs. Russell Lovejoy, Mrs. Frank Lovell and Mrs. McCoombs, 6A home-room mothers.

—Flo Tiller Moeller.

## Another Queen Of Rose Tournament May Be Found Here

The possibility of another Sierra Madre girl being crowned Queen of the Rose Tournament loomed this week when Miss Sadie Sellars, of 534 West Montecito avenue, was selected as one of the 27 contestants by the committee of judges. The 27 were selected from among 120 Pasadena Junior College co-eds. An entirely different committee of judges, representing the Tournament of Roses association, will select from the nominees, first the queen, and then six princesses to attend her.

In the first group selected are Sadie Sellars, Janette Morgensen, Virginia Petrequin, Eleanor Northrup, Lynn Smith, Betty Berry, Bertille Glanville, Carolyn Munn, Margaret Newlin, Clarabelle Patterson, Barbara Hill and Mary Mapp.

## S. R. G. Twycross Is Under Treatment At Local Hospital

S. R. G. Twycross, who has suffered from a complication of illnesses for the last six weeks, was taken to the Sierra Madre Hospital Wednesday night for treatment by Dr. G. W. Groth. While not considered in any immediate danger late yesterday, Mr. Twycross is being kept under constant observation. He rested easily throughout the day yesterday, although he was given some trouble by his heart.

"You bring them in," Chief Richards pleads, "and we'll fix them up. Keep in mind that there are a lot of needy kids in town who are going to be mighty blue Christmas Day if their stockings are empty. Whatever kind of toy, game or trinket you have lying unused around the attic or cellar—bring it over to our shop, or leave word for us at the City Hall and we'll pick it up . . . A little soldier and paint and patience will go a long ways in making children happy."

Let's give true thanks again today For all our wealth of fruit and grain;

And put away our discontent,

On this Thanksgiving, for we fain

Would offer prayer to Him who sends

The sunshine and the falling rain

That shed their blessings on the fields,

Where long the sleeping seeds have lain

Soft sheltered in the friendly earth.

Awaiting birth from teeming sod,

To thrill to life and blossom forth

And burn their fragrances to God.

To Him to whom we owe our praise,

Let's keep the faith, this day of days.

## Housing Act Loans May Be Carried To Home Owners Doors

Names of committee men to carry out the various functions involved in the local drive for home modernization and construction under the FHA program will be released next week by J. S. Billheimer, Chamber of Commerce president. Investigation is now being made into the possibility of securing SERA canvassers to make a survey of needed improvements here and to interview homeowners and residents as to their willingness to make them with money the federal government is waiting to advance for the purpose under the provisions of the National Housing Act.

Miss Elizabeth Steinberger,

public school principal, speaking before the PTA membership Wednesday afternoon in the school music room, called the mother's attention to the splendid opportunities offered children here in various arts and crafts.

As some of the captains did

not begin canvassing their districts until this week, the result next week should show a decided increase, she said, and by that time the names of those joining would be ready for publication.

CANVASSERS

IN THE AREA

AS FIRE BREAK

## Mountainside Road At City Boundary Planned To Reduce Fire Hazard

Would Take Fire Apparatus Into Brush Area And Serve As Fire Break

### WILL ASK SERA FUNDS

A long step toward minimizing the mountain fire hazard in Sierra Madre and adjacent foothill communities and protecting the valuable watershed area, was made this week at a conference between City Business Manager Al S. Myers and former City Engineer Henry Gierlich, now assistant Forest Supervisor in

charge of construction. Plans were started for a foothill truck road to pass through along the north boundary of Sierra Madre, at the edge of the Angelus forest, and skirt the entire mountain front between Altadena and easterly foothill areas.

In addition to providing easy accessibility to key point in case of fire, such a road would furnish an adequate firebreak dividing the city from the tindered mountain slopes. Ultimately it is planned to construct spur roads off the main roadway, possibly up the Little Santa Anita and Bailey canyons. These roads, it is proposed, shall be wide enough for passage of fire trucks and equipment, and would be of utmost value in forest protection.

Under present tentative plans, now being completed in detail by Gierlich, money for the undertaking would be secured from the SERA in line with the extensive flood control and conservation program announced by Congressman-elect John Steven McGroarty.

## Kiwanis Support For Local Float In Rose Fete Sought

Harvey H. Guy, for 12 years an educator and teacher in the Orient, was guest speaker at the Kiwanis luncheon meeting here Tuesday noon. Graphically describing present conditions in China, Japan and Russia, Mr. Guy stated that the rapidly growing population of both the yellow races and of the Russians, is creating the basis for the "inevitable struggle of the future."

"Communism," he told the club members, "is the greatest danger facing the entire world today. Although I favor the method by which the masses are represented in the Communistic nations, I fear the other elements entering into such a political creed." The speaker was introduced by Rev. Arthur O. Pritchard.

Frank Brooks, of Pasadena, District Lieutenant Governor-elect, was also present, and spoke briefly on Kiwanis progress. He urged

#### THE ONLY WAY

Government cannot create wealth. It can only spend it. That economic axiom was recently pointed out by C. B. Forbes, in commenting on the delusion that government has an unlimited purse, that it can pull bundles of cash out of a magic hat, that "a day of reckoning never comes."

Every cent spent by political organisms must be supplied by the taxpayer. And that term, "taxpayer," means every person in the country who has a job, any savings, a piece of property, a business, or a dollar to spend. It means the day laborer as well as the bank president—the clerk as well as the executive. In fact, the clerk and the day laborer have most to lose from tax extravagance and the most to gain from tax economy. Government cannot be supported by taxing men of wealth alone—there aren't enough of them to make a dent in the budget. The great bulk of its revenue comes from indirect taxes on clothes, food—all the necessities and luxuries which the average man and woman of small income buys.

Wealth is created when capital is used to provide facilities with which men can work to produce goods and commodities and services that the people need and want. Potential wealth is lost when the burden of taxation makes impossible this capital investment—when it stifles at the source the jobs and opportunities that would otherwise be provided.

Tax reduction is in the interest of every worker, every farmer, every business and professional man. It would produce jobs, develop industries—and make more taxable wealth. And there

#### BIRTHDAY GREETINGS...

THE NEWS extends birthday greetings and its best wishes this week to the following Sierra Madreans:

W. J. Lawless Nov. 23  
Mrs. John E. Colbert Nov. 24  
Jack Euchan Nov. 24  
Mrs. Harold Roberts Nov. 25  
Al Wheeling Nov. 25  
Thomas Miller Nov. 26  
M. Kathleen Scoville Nov. 27  
Carolyn Ann Brooks Nov. 27  
E. H. Keegan Nov. 27  
Mrs. W. W. Murphy Nov. 28  
Miss Lucile Judson Nov. 29  
Daniel H. Lewis Nov. 29  
Donald Thayer Nov. 29

is only one way we can have tax reduction—by spending less tax money.

#### LETTERS From Readers

#### COMMITTEE NAMES WERE OVERLOOKED

To the Editor of the Sierra Madre News:

Through an inadvertence the names of several members of the committee of the Progressive League of Sierra Madre were omitted in an advertisement sponsored by the League which appeared in The News of October 26. The advertisement in question announced a patriotic mass meeting to be addressed by Judge Goodell. The names omitted were those of F. H. Hartman, Mrs. Mary G. Schaefer, Bertha Irvine and W. J. Schiltz. THE PROGRESSIVE COMMITTEE.

#### TRANSPORTATION TO SCHOOLS HELD HIGH

To the Editor of the Sierra Madre News:

A letter appearing in THE NEWS November 9th, signed "A Sierra Madre Woman," urging the Chamber of Commerce and others to do something about the excessive fare (\$3.85) charged advanced school children to get to their Pasadena classrooms, was inspired by good intention but not accurate as to fares. Arcadia has its own high school, but students enrolled in Junior College must pay the regular school rate on the big red cars to get to Pasadena.

Busses carrying Sierra Madre children to Pasadena Junior High schools charge the youngsters one dollar a month. The Pacific Electric, which carries students to Junior College, charges \$2.40 a month for those under 18 and \$3.80 for those over 18.

In spite of these actual facts, however, it would seem to be a hardship on most families to have to pay this fare to get the children to school; something ought to be done about it. There should be no premium on education—\$3.80 would feed an ordinary family nowadays for a week. The school ought to be

#### Women To Organize Physical Culture Club Here Monday

A women's physical culture club is to be formed next Monday evening, November 26, at the home of Mme. Marion de Beaujieu, 125 East Mira Monte avenue. Mme. de Beaujieu is donating her time free of charge to the group and the nominal charge of 25¢ a month to be made will cover gas and electricity bills at clubrooms, where meetings will be held. Much interest is being shown in the club and all women in the community interested are cordially invited to Monday's meeting, when plans for the organization are to be made.

#### TWO SIERRA MADRE HOMES CHANGE HANDS

Two real estate sales were reported at the office of Mrs. Nora M. Mesecar, Kersting Court, this week. Sidney Lassoff, Los Angeles business man, who has been residing in Sierra Madre for the past two or three months, has purchased the Edith Wark home at 367 Adams street.

Mr. and Mrs. Tom Solury, of 514 Ramona avenue, bought a home at 527 Manzanita avenue.

BROTHERS QUARREL AND CITY COLLECTS \$30 FINES

A quarrel between Carl and Walter Annas, brothers so annoyed the neighbors in the vicinity of 81 West Victoria Lane on Sunday evening that several called the police station. Officer James Heasley and Harlan Gerlach separated the belligerents and booked them on charges of disorderly conduct. Judge Neale imposed a fine of \$10 on Carl and \$20 on Walter when they were given a hearing.

brought to the door of every home without cost.

Suppose the head of a family is out of work, or working two days a week, as in the case of the man referred to by "The Sierra Madre Woman." Sending two children to Pasadena schools would take one week's income for the latter, and if he did not make that sacrifice he would undoubtedly be prosecuted by the State under the compulsory school law. To keep out of jail the family must go hungry. With the government spending billions on alphabet projects why can't the New Deal help the coming generation get their ABC's?

MRS. JEROME HALSEY.  
Sierra Madre, Nov. 20, '34.

#### SAYS SIERRA MADRE CAST DECIDING VOTE

To the Editor of the Sierra Madre News:

I have been requested by the faculty and student groups of Pasadena Junior College to express to you, and through you to the citizens of Sierra Madre, our sincere appreciations for the loyal support which all of you gave to the school bonds both in the campaign and at the recent school bond election. The real turn in the tide in a very close election came with the returns from Sierra Madre.

We enroll a large number of students from your community, and the outstanding work which they do in their classes as well as the exemplary type of citizenship which they manifest on our campus, bears evidence of the culture and refinement under the influence of which they have grown to maturity.

We feel that as a result of this election we shall be able to restore our buildings, and we trust that it may render an ever-increasing service to the patrons of the Pasadena Junior College District.

Very sincerely,  
JOHN W. HARBESON,  
Principal, Pasadena Junior  
College.

#### Many Guests Come For OES Meeting

MONDAY night, being the last meeting of the year under the administration of Mrs. Helen Sandage, every seat in the OES chapter room was filled as guests arrived from Monterey Park, Monrovia, Elkhorn, Iowa, Temple City, Alhambra and San Gabriel. Mrs. Ethel Roper, newly installed Deputy Grand Matron of this district, shared the honors of being highest ranking officer present with Mrs. Love Baily, Past Worthy Grand Matron of Minnesota.

Entertainment for the evening was provided by OES members from Temple City, Mr. and Mrs. John Thompson, in costume, accompanied by Mrs. F. Jerome Sears, singing old Scotch dialect selections, including the very beautiful "Crooked Barbee," a humorous skit by Mr. Thompson and Mrs. Marguerite Kunkel, and reading by Mrs. Kunkel. Following the entertainment refreshments were served in the banquet hall.

The next meeting, December 3, is open to the public and will take the form of an open installation of Mrs. Edna Estep Holland as Worthy Matron and her corps of officers.

#### "GREATNESS" IS THE TOPIC AT GATHERING OF CYPHS

"Greatness" was the topic of discussion at the regular meeting of the Congregational Young People's Society on Sunday. Miss Cynthia Hull led the meeting, using the life of Tayohiko Kaga as an example of a truly great man.

The group hopes to send several delegates to a "Camp Reunion" at San Diego November 24 and 25. A Vesper service is being planned for December 16. Miss Genelle Paschal will have charge of the next meeting, Sunday, November 25.

#### LOCAL BOY HAS LEADING ROLE IN MUIR TECH PLAY

Eddie Ranahan, of Sierra Madre, plays the part of a cockney butler in "The Devil In The Cheese," a comedy in three acts by Tom Cushing, which will be presented by the 1935 senior class in the Muir Tech auditorium next Tuesday evening. The play is a delightful combination of amusing, spirited, and romantic situations. The cast is composed of outstanding seniors of the dramatics classes and is under the direction of Miss Dorothy Fry.

#### CHURCHES

##### Bethany Church (The Little Stone Church)

Rev. Stewart R. Sheriff, Pastor

Sunday—

9:30 a.m.—Bible School.

11:00 a.m.—Morning Worship.

Sermon, "Studies in First Timothy."

6:15 p.m.—Christian Endeavor Societies.

7:30 p.m.—Evening Service.

Sermon, "The Church the World's Hope."

Tuesday—

7:30 p.m.—Sunday School teachers and officers monthly meeting.

Wednesday—

Prayer meeting at 7:30 p.m.

Thursday, Thanksgiving—

10 a.m.—A public Thanksgiving service. Sermon, "Thanks Giving."

Friday—

6 p.m.—Annual Christian Endeavor Pep Banquet. A good time for all. Interesting speakers.

Saturday—

Choir Practice.

Mrs. Yerda Adams representing Miss Ruth Wheeling,

## County Faces Bankruptcy Experts Say

### Supervisors Told Three Million Must Be Lopped Off Operating Costs

In a startling disclosure by the County Efficiency Bureau yesterday the Board of Supervisors was informed that the County faces bankruptcy before Spring if nearly three million dollars isn't slashed from the present budget.

To save closing of all county governmental agencies it is proposed to discharge large numbers of patients and aged persons from county institutions, cut \$825,000 from the General Hospital funds, curtail county poor farm expenditures by \$217,883, and drastically reduce operating costs of Olive View sanitorium and the county health department. Other serious reductions, which the Board of Supervisors now have under consideration as result of the efficiency bureau's ultimatum, would effect supervisor salaries, tax collector, district attorney, justice court, superior court, county clerk, sheriff, forestry and fire warden, county jail, juvenile hall, probation department, camp for juvenile vagrants, county museum, and recreation camps and playgrounds.

### San Gabriel Valley Towns Spring Many Surprises At The Election; Nearly Every City Takes 'Wet' Stand

OFFICIAL tabulation of the vote cast at the recent election substantiates unofficial figures indicating many surprises in the San Gabriel Valley. The dope on the "wet and dry issue," for instance, was that the Valley towns would, in the aggregate, give a majority against Proposition 2 and for No. 13, the former permitting the sale of hard liquor by the drink and the latter giving the people of every community the right to say whether any alcoholic beverages should be sold within its confines.

But nearly every city voted as Sierra Madre did, in favor of No. 2 and against 13, and by substantial majorities. Glendora and Covina were two of the few Valley towns to vote down No. 2, but they also voted down the home rule proposal on the liquor issue. Arcadia cast a tie vote on No. 2, 1,307 votes being cast on both sides.

San Marino, the neighbor to the west, is being hailed as the leading anti-Sinclair community of the State and is getting much publicity in consequence. Casting practically a 100 per cent vote, it gave Merriam 2,153, Haight 166 and Sinclair only 144. Beverly Hills, another city of homes, gave Merriam a 6 to 1 vote over the Epic candidate, the vote being, Merriam 7,134, Sinclair 1,220 and Haight 641. Rosemead went 50-50, giving Merriam and Sinclair each 799 votes.

There was quite a remarkable upset on the gubernatorial in Azusa. The city is normally overwhelmingly Democratic, but Merriam carried it by a 3 to 2 vote because, the Azusa Herald says,

## Sport Slants

By John Copeland

POPPING his head out of the doghouse for the first time this year, Howard Jones probably is snickering in quiet at the wiseguys. It took him almost a full year to maneuver his available manpower into spots where it did the most good.

Baldwin Park, strongly for the Progressive League for Merriam, swung an amazing number of Bourbon votes to the Republican governor.

Dissatisfaction with progress on the San Gabriel dams and the huge amount of money being spent there, together with the general public idea that little has been accomplished in the matter of actual flood control with the great bond issue voted for that purpose, is universally credited with the overwhelming defeat of County Supervisor Hugh A. Thatcher.

Claremont was the only city in the San Gabriel Valley to give him a majority, whereas it was believed even by managers of the campaign of the Supervisor-elect, Herbert C. Legg, that Legg's principal strength lay south of Whittier Boulevard. The section of Lamanda Park lying within the first Supervisorial district furnished the biggest upset in this fight. At the primary election Thatcher carried the Lamanda Park district three to one over Legg, only to lose to him by five to one at the election.

### A. L. A. Activities

By Helen Lovejoy

DISTRICT meeting at San Gabriel, Monday evening was attended by President Stimson, Jr. Past President, Leila Embree, Florence Jensen, Dorothy Shetter, and H. Lovejoy. Junior Past Department President Ernestine Aylward gave an excellent report on the National Convention.

It is with heavy hearts we learn of the death of Margaret Kaeding's husband. She is our County Council parliamentarian. We know how notes of sympathy would be appreciated.

Myrtle Waiters, inter-unit visiting chairman, moved we use March, April, and May as our visitation months. This carried on the suggestion that it is almost impossible to visit the entire district in two months.

On December 13 will be a pot luck luncheon or Child Welfare chairmen in El Monte. The favors for the Xmas party will be made at that time.

All chairmen receiving flash bulletins from department, are asked to read them, then pass them on to your publicity chairman, Esther Robidart suggests this, girl's, help your publicity program. It seems that being without a publication is working our secretary over time. She is mailed all the bulletins and must get them to the different chairmen. Could we form a plan to relieve her of this responsibility?

Watch for the traveling basket, you may get a hot pie or cake any day, now. Plan to keep it moving rapidly, let's make the rounds twice this year anyhow.

Membership stands 53.25 per cent for one district with 750 memberships in. Six units are already over the top. Next pick-up will correspond with that of the Legion, and be on December 15th. Shall we just get it over with this month, and push our unit 'over the top?' This means if you have not paid your dues, do so now then we may forget all about it for this year.

The initiation of Joan Wastun, Betty Lang and Beverly Taylor into the Junior Auxiliary took place Saturday afternoon in the dug-out. Sierra Madre Juniors were the hostesses to 30 El Monte and Baldwin Park Juniors. Distinguished guests were Mrs. Helen Crawford, president of Baldwin Park; Mrs. Parke, Junior Chairman, and Marie Prior, Junior President. From El Monte were President Mrs. Platz, Mrs. Sherman, Junior Chairman, and Francis Punsall, Junior President. Refreshments of chocolate cake and tea were served by Miss Marjorie Stinman, the sponsor. Mrs. Roy Pickett, who organized the juniors two years ago, was guest of honor.

### SIERRA MADRE LOOPS THE NATION

George Clark, of 92 Suffolk avenue has returned from a 19,000 mile automobile trip in which he looped the Nation. Starting out through the western states he went through the Dakotas into Canada and driving east through Canada came down through the New England states along the east coast to Florida. He returned to California via the Southern route. The trip was made in a Chevrolet coupe purchased from E. K. Bonds of McDonald and O'Boyle, Chevrolet dealers, in Monrovia, in July. Mr. Clark left shortly after purchasing his new automobile on the long trip. He says he had the trip of a lifetime, but is glad to be back home. His car, he says, is just well broken in.

### "One Night Of Love" Comes To Screen Of Arcadia's Theatre

"One Night of Love," considered the best musical film ever brought to the screen, comes to Gillette's Arcadia theatre next Wednesday night for a four-day run. Grace Moore, glamorous star of opera stage and motion pictures, brings some of the world's most beautiful music to life by means of a new method of voice recording used in the making of the picture. In a supporting role, Tullio Carminati offers one of the most finished comedy personations of his long career.

On the same bill with Miss Moore's play, appears "Desirables," with Jean Muir and Warren Williams, and a Mickey Mouse cartoon.

Tonight's double bill includes "Madame du Barry," starring Dolores Del Rio, and Joan Blondell in "Kansas City Princess," both pictures ending tomorrow.

Sunday, Monday and Tuesday November 25 to 27, James Dunn and Alice Faye are screened in "365 Nights in Hollywood," a rollicking farce of Hollywood life and loves. Also the riotous team of Laurel and Hardy in "Them Thar Hills," and another of Walt Disney's colored Silly Symphonies "Birds in Spring." Monday and Tuesday are both Firemen Christmans benefit nights, with the proceeds of the show going to charity.

Play, Ladysman, Cavalcade (this year's derby winner) and the rest for the big handicap, the field will be about the finest ever assembled.

ROSE BOWL Grayson continues to lead the coast's backfield stars in points scored. He has a total of 10 touchdowns, in seven games played. His nearest competitor is Washington State's quarterback Goddard, seven touchdowns.

Grayson probably has the nod as the Coast's chief All-American nominee this year, and he's up against stiff opposition in Nichelini, Williams, and even Watkins. Sure Nick is a half-back, but so's Grayson to all practical purposes.

To localize things, may we remind you that the Stanford lad was the one last year who craved an introduction to Treva Queen Scott . . . and was ritzed.

Appears certain Cards vs. Alabama, with Pitt a strong second pick. Albeit that Stanford-Cal game sure could put the situation plenty high in the air.

Hasta la vista.

QUESTIONS & ANSWERS  
ABOUT THE HOME GARDEN

By Jessie Ward Russell  
Landscape Gardener

QUESTION—Should Avocado trees be trimmed at the bottom or should the lower limbs be left to shade the trunk?

Answer—For the first year, we advise leaving all lower limbs so that they can help to shade the trunk but by the second year, the upper limbs and foliage should be heavy enough to shade the lower part of the tree. Then the lower growth can be removed and as the tree gets older the limbs can be cut off up to about 4 feet from the ground. But do not trim off the lower growth until there is enough shade above to keep the trunk from getting burned by the sun. Trimming off the lower branches throws the strength into the top of the tree, will keep the fruit from resting on the ground, will make it easier to irrigate and weed, etc., and will also keep the tree cleaner of insect pests.

Q—Should Avocado trees be fertilized now?

A—Yes, it would be a good time now to fertilize Avocado trees with barnyard manures. Strong commercial fertilizers should not be used until February and March.

Q—Can roses be pruned now?

A—Yes, but it is better to wait until January. Roses should bloom quite a lot between now and January and if pruned now you will lose all of this bloom. But do not neglect to prune in January if you want strong new wood for Spring bloom.

Q—How much seed and fertilizer is needed to renovate an old lawn which has just been raked with a Burmuda grass rake?

A—Use one pound of seed for 200 to 300 square feet of lawn and one bag weedless steer manure for 300 square feet of San Gabriel Court.

lawn. Spread fertilizer on top of seed.

Q—Can wild poppy seed be planted now?

A—Yes, they should do exceptionally well this year, too, because of the rains.

NOTABLE FILMS COME  
TO LYRIC THEATRE

Thousands of California car owners will be temporarily disappointed when the time arrives to secure 1935 license plates. All because, despite warnings from the motor vehicle department, they have failed to call at the county tax assessor's office to secure the stamp on the back of the white certificate of registration which means that personal property taxes have been paid.

All certificates of registration issued in 1934 must include verification that taxes are satisfied before 1935 license plates can be issued, according to Russell Bevans, Director of the Division of Registration.

You may have your certificate validated at the Pasadena City Hall.

RESEARCH CLUB HERE  
STUDIES ANTIQUES

The Research Club, a bi-product of Vernon J. Morse's Friday sketching class, met last Tuesday at the home of Mrs. May M. Olds, 289 Nehr Drive. The class is studying antiquities and has received much help from Miss Ella Shepard Bush, at whose studio the class has met to read valuable books from Miss Bush's library. Light refreshments were served. In the party were Mrs. C. J. Harriman, Mrs. Vernon J. Morse, Mrs. Smart, Mrs. Webster Vanner, Miss Florence Gilmore and Mrs. Olds. The next meeting of the club will be held Monday at the home of Miss Gilmore.

Starting Wednesday for three days, the Lyric will present "Hide Out," with Robert Montgomery and Maureen O'Sullivan, and also "The Affairs of Celine," co-starring Frederic March and Constance Bennett.

"Hide Out" is a gay comedy revolving about activities of a rollicking racketeer who goes from Broadway to the country to learn the difference between chickens and "chickens." Don't forget . . . Friday night is China Night at the Lyric . . . free chow to ladies.

Local Leaders To

Hear Chamber Of  
Commerce Debates

Several local members of the Chamber of Commerce plan to be in attendance at the Eleventh Western Divisional meeting at the Hotel Biltmore December 2, 3, and 4. The local representation will be headed by Captain and Mrs. E. G. Everett, Mr. and Mrs. John S. Billheimer, and Mr. and Mrs. E. D. Burbank.

During the three day session there will be the annual banquet, luncheons, and many instructive speeches having to do with modern industrial and economic issues and political issues.

Clearing House For  
Farm Labor

By RALPH HTAYLOR  
Sec. Agricultural  
Legislative  
Committee of  
California

ORGANIZATION of a state-wide farm labor distribution bureau—a clearing house for agricultural labor which would serve the needs of both farmers and farm workers—may be undertaken in California in the near future.

One of the outstanding champions of the plan is Dr. George P. Clements, veteran manager of the Agricultural Department of the Los Angeles Chamber of Commerce, who visualizes a State-wide agency patterned after the general lines of the San Joaquin Valley Labor Bureau.

In urging cooperative effort to make possible an effective farm labor clearing house, Dr. Clements has appealed to the State Chamber of Commerce, the leading farm organizations and other interested groups to make the necessary studies and investigations looking to the inauguration of such a program.

Grownups as well as children have found "Peck's Bad Boy" to be one of the outstanding productions of the year. In this picture, Thomas Meighan, after a 2-year layoff, returns to the screen in the role of Mr. Peck, young Cooper's father. It is a picture rich in heart tugs and heart smiles . . . one that is wholesome, full of vitality, glowing with incidents that tickle the ribs and wet the eyes.

"Wagon Wheels," an epic of the Oregon trail, is a tale of the frontier busters, fighting men, battling for the women they love, and all the while facing unknown adventures with strong hearts, finding courage in daring devotion to a wild new land . . . living recklessly . . . winning dangerously.

Starting Wednesday for three days, the Lyric will present "Hide Out," with Robert Montgomery and Maureen O'Sullivan, and also "The Affairs of Celine," co-starring Frederic March and Constance Bennett.

"Hide Out" is a gay comedy revolving about activities of a rollicking racketeer who goes from Broadway to the country to learn the difference between chickens and "chickens." Don't forget . . . Friday night is China Night at the Lyric . . . free chow to ladies.

NEW SPEEDWAY TRACK  
WILL OPEN SUNDAY

The world's fastest five-eighths mile speedway will be reopened next Sunday afternoon, November 25, when racing is resumed on the banked track at the Legion Ascot Speedway.

Several months ago the track was closed and racing has been conducted on the flat half-mile course. With the return of daylight racing work is being rushed on safety measures for the old track and drivers who have inspected the plans and the work already completed predict that the track will not only retain all its speed and remain the fastest banked oval in the country but also the safest. With the reopening of the big track infield parking will be resumed.

The return to the old track will necessitate the re-gearing of the cars that have been running on the smaller flat track. The best and fastest cars will be tuned up for the big track and there appears to be a great winter season ahead.

HEAVY SHIPMENTS  
OF AVOCADOS BEGIN

Indicating the earliest Eastern carlot shipping of local avocados and avocados on record, as well as the largest movement ever known at this time of the year, the Calavo Growers Exchange announces today that it has already sent East five cars of the popular salad fruit since the opening of the new season. Additional care are to be sent East at the rate of three or more per week. Only 21 cars were sent during all of last season. October, first month of this new season, found production 379 per cent greater than for October, 1933.

C.E. Societies Plan  
For Annual Banquet

A N up to the minute program is being arranged for the annual fall banquet of the Bethany Church Christian Endeavor societies. The date is Friday, November 30—at 6 p.m. The menu has been placed in charge of Mrs. F. Butler. Merrill Jensen was selected as toastmaster.

Some members of the Nipponese young people's society will attend the eighth annual conference of the Japanese Christian Young Peoples' Church Federation to be held starting tonight and continuing through Sunday afternoon in the First Methodist church of Hollywood, at Highland and Franklin.

"The Grace of Gratitude" is the topic to be discussed by the varied groups at their meetings this Sunday evening. Rosemarie Forrester and Margaret Montgomery will address the young peoples' meeting in the rotunda, while the nisei group in Bethany Hall will hear Sam Hobri.

The junior high group, which meets in the Mens' Bible classroom, has not announced its leader.

Officers and directors of C.E. here are urged to turn out for the monthly executive meeting of Pasadena division at 7:30 Monday evening at the Lake avenue Congregational church in Pasadena.

Although Christian Endeavorers will not be able to have their annual Thanksgiving day sing at the county General Hospital, local societies have been asked to send at least eight or ten glasses of jelly and jams for the patients. If the donors would take them to general assembly, or the Sunday evening meeting, or the division executive they will be given out on time.

Post 297 of the American Legion Monday night voted its sincere thanks to the various Sierra Madre merchants who so nobly contributed to the success of the dance held Armistice night.

Letters to Tom Tyler, Henry Olsen, Hartmans, the Sierra News Stand, Rikemans and Mrs. Lillian Wheeler, of 652 Alta Vista Drive, were ordered by the Commander prepared in conformity with the resolution adopted.

Comrade Millard Benny, chairman of the 18th District on Americanism addressed the Post in one of the finest and most interesting talks that have ever been held in the Post upon the subject of Americanism.

He was introduced by District

Disaster Relief Division Officer D. L. Sitherwood. He told how the American Legion had been misunderstood in many ways and gave personal experiences in regard to veterans who themselves belong to the Legion, and who had condemned the organization for certain activities erroneously reported in regard to strikes.

He explained the facts and very beautifully analyzed the things the Legion has done in regard to National calamities and disasters. He explained further, that the Legion has never been called upon to take sides in strikes.

He said further that Americanism and its kindred interests, is the American Legion's only object; to protect the United States and to help inculcate the spirit of Americanism into our children as well as ourselves.

"In other words," Benny said, "to protect and sacrifice if need be, our lives, in the safeguarding

of the United States of America."

The Dance Committee reported to the Executive Committee that the proceeds of the dance were well over the amount expected and we're glad to be able to state that this last year was one of the most successful of all Armistice Day celebrations held in recent years.

"We'll be seein' ya."

In the move toward reconstruction and modernization, adequate pumping facilities to meet current conditions and irrigation requirements are of major importance to farmers and ranchers in Southern California. Through loans made available by the National Housing Act, you can recondition or replace pumping equipment on advantageous, extended terms.

ALL FACTS IN THIS FREE BOOK

How to benefit immediately by this government-backed plan is explained clearly in a booklet recently issued. If you will write the Edison Company, a copy will be sent you at once without cost.

**Need For A Real Theatre Will Be Submitted To The Public Soon By The Children's Dramatic Guild**

LITTLE Dodo Hawley-Walker of Hollywood made her debut at the sixth performance of "The Magic Key," November 16th. In a demure colonial frock she gave Eugene Field's "Sugar Plum Tree," in a delightful and child-like manner. The following children shared honors for excellent characterization: Margarette Adwell, Betty Lou Lacy, George Tyree, and Russell Lovejoy. There are two future engagements of "The Magic Key" in prospect.

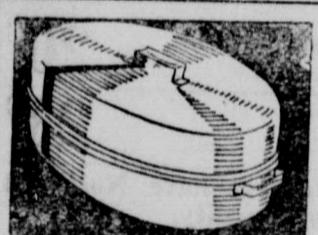

The question of a real theatre was raised at the last meeting of the Guild. Ways and means are being discussed, and plans laid to present the need of adequate operating quarters to the general public.

A benefit will be held the evening of December the first at the home of the Director.

New members of the Guild will

**CORRECT SPEECH TO BE STUDY SUBJECT**

Members of the Woman's club and other organizations are taking an interest in a class in "good speech" to be offered here by Mrs. Addison B. Ritchey of Pasadena. Mrs. Ritchey, a teacher, principal and conductress of private schools, plans to give a course for the stimulation of speech consciousness. Further information may be had by calling Mrs. Wolfe, Sierra Madre 24, or Mrs. M. J. Masters, NI4027, Pasadena exchange.

**Operation Fatal To Col. Hinton, Brother Of Local Resident**

Colonel George Frederic Hinton, 71-year-old war veteran and pioneer theatrical producer and manager, died at Soldier's hospital in Sawtelle this week from a stomach ailment for which he was operated on two weeks ago.

A brother of Arthur R. Hinton, editor of the Oil World, of 154 East Montecito avenue, in this city, Colonel Hinton gained prominence for his management of such noted performers as Lillian Russell, Fred Stone, John Phillip Sousa, Elsie Janis and Blanche Ring. He had spent many years in the newspaper business in his native state of New York, and was the organizer of the Fifteenth New York Infantry at the outbreak of the World War. His body was sent to Washington for interment in Arlington National Cemetery.

**LOCAL BOY TO SHOW WITH MAN MOUNTAIN**

Michael Wark, Sierra Madre grappler, gets the biggest "break" of his wrestling career Monday night when he travels to Pismo Beach with the noted Mr. Man Mountain Dean.

Wark is happy for more reasons than one. He will be fighting before his biggest crowd to date—due to the big gate attraction in the ponderous person of Dean. And secondly, he won't be scrapping the 350 pound Man Mountain. In seven previous appearances at Pismo, Wark has lost only one match.

**THIS DINNER EATEN ALL OVER THE TOWN**

A progressive preference dinner was given recently by the Mapa Club, of which several Sierra Madreans are members. The first course was served at the home of Miss Marian Daily, East Central avenue, while the main course was eaten at the home of Miss Cynthia Hull, West Montecito avenue. The other courses were had in Arcadia and Monrovia. Nine members and three pledges attended the dinner from Monrovia, San Marino, Pasadena, Arcadia and Sierra Madre. The club has taken in Miss Frances Olds and plan an informal initiation at the beach cottage of Miss Eleanor Phillips, at Surfside.

**HAROLD CAREW TO ADDRESS PASADENA TOWN MEETING**

"Interpretation of Current Events," will be the subject of the talk to be given by Harold D. Carew on Monday evening, December 10, at the Pasadena Town Hall meeting in McKinley School. Mr. Carew will have the first hour, beginning at 7:30 o'clock. He will be followed by Rev. Le Roy Smith, of the First Methodist Church of Los Angeles, who will speak on "Manchuria."

**HAROLD CAREW TO ADDRESS PASADENA TOWN MEETING**

"Interpretation of Current Events," will be the subject of the talk to be given by Harold D. Carew on Monday evening, December 10, at the Pasadena Town Hall meeting in McKinley School. Mr. Carew will have the first hour, beginning at 7:30 o'clock. He will be followed by Rev. Le Roy Smith, of the First Methodist Church of Los Angeles, who will speak on "Manchuria."

**Fire Flames**

By One of the Boys

WHAT is the matter with the folks who have toys to send in to be repaired. To date there are not enough for the men to start work on. Many children are made happy by the work done at the Toy Shop and we are hoping that they will not be disappointed this year. If there are any toys around that need fixing, the firemen are willing to do the job and turn them over to some unfortunate child at Christmas time. To help the men in this work, it is urgently asked that all toys be brought in now. There is plenty of work to be done from now until after Christmas by the firemen.

And now since the date is set for the Big Dance (December 22) the firemen will be sent out to sell tickets. A house to house canvas will be made by uniformed men. They will call at your door as in former years with the same line of talk. If they do not smile, you are to report them to the chief. The firemen wish it known that they are not expecting those who have been out of work for a long time to buy tickets. Surprising as it may seem, it is necessary to sell from 450 to 500 tickets to carry on this program.

The Southwesters should have a great celebration at the completion of the new room that is now being added to the "quarters." In the past, their regular meetings have been disturbed by the conversation of the less important gathering in the same room.

Each morning and evening since the cold weather arrived, the fire trucks are tested for starting in preparation for the next fire. Although it has been a long time since the last one, the winter months are dangerous, due to the many different types of heating appliances used. We can be well proud of our reputation in Sierra Madre for the few fires that we have here. This certainly indicates that the people of the city are "fire conscious." Let's keep the "Fire's Out."

**COMING!!**  
Every Friday evening at 7:30 o'clock beginning November 23rd there will be a talented group of young people in charge of the young people's service at the FOUR-SQUARE GOSPEL CHURCH. Special music. Message by a seventeen-year-old High School evangelist. Everybody welcome.

**This is not Jimmy Allen's plane...  
It's not Jimmy Allen's picture either...**

But he has an interesting program for you, and if you have not started yet, you better "snap out of it" and get your application in.

Next time Daddy or Mother comes in for gasoline be sure to have them ask for a card.

## Fix December 22 As Date For Firemens Christmas Party

There'll be a corking good dance band at the Firemen's dance and card party. A conference Monday evening between Chief Richards of the local department and Chief Copps of the Crown City smokeeaters and a later meeting of the Pasadena firemen's band decided that. Also it decided the date of the Christmas party.

Members of the Pasadena Firemen's band and orchestra voted unanimously to give their services for the occasion here, passing up a social function of their own that had been tentatively arranged for the evening of Saturday, December 22.

"Good," said Richards, "we'll hold the party that night." "I can get off that night, too," said Chief Copps, "and maybe the men will bring their wives and the wives of some of the other firemen will want to come along."

The band has proved a great favorite here at parties given by the firemen and at community dances in the City Park sponsored by the local merchants association. So, there's another jolly night assured and for the best purpose in the world—to finance a Christmas tree and presents for the children and ample baskets of food and delicacies for the less fortunate on Christmas morning.

Mr. and Mrs. W. R. Humphries of 214 West Carter avenue, have returned from two week's rest at Murieta Hot Springs.

Mr. and Mrs. R. S. Jensen, of 501 West Grand View avenue, spent three days this week in San Diego on business.

Mrs. J. Milton Steinberger, of 501 Mariposa avenue, is suffering with a felon on one of her fingers.

Mrs. Kathryn Kinney, of Lake Arrowhead, is house guest of her sister, Mrs. George M. Lehner, of 550 West Central avenue.

Walter Jacobson, of San Pedro, visited his mother, Mrs. A. E. Jacobson, of 187 North Auburn avenue, Thursday and Friday.

Mrs. A. M. Lipsey, of Long Beach, called on Canyon Park friends on Monday. Mrs. Lipsey is owner of a cottage in Sierra

Alex McLaren was a visitor in the city on Thursday.

Madre Canyon.

Mrs. Clara Langstaff, of 429 Sturtevant Drive, spent the weekend in Long Beach.

Mrs. Louise Bobb, of 288 Mariposa avenue, has been confined to her home through illness.

Peggy Jo Lyons, of Altadena, spent the weekend with Marjorie Ann Croan, of 75 North Baldwin avenue.

Cheerie!

What a world of feeling is expressed in those two words.

—They exemplify the spirit of Mountain View Mausoleum. Located as it is in the foothills, it carries with it that peace, harmony and imperishability so truly expressed by the mountains in whose shadow it basks.

—And it is with the desire to assist you in the selection of a burial location that we want you to visit this beautiful mausoleum. Here many of your friends have selected their family memorial. Why not make your choice in the same location so that the close association you enjoyed while here may be yours still in years to come.

—The cost of burial in Mountain View Mausoleum is no more than ground burial. May we explain our Memorial Plan which has been most acceptable to the people of this community.
